Objective

Passionate and dedicated undergraduate with 2 years of programming experience seeking opportunities to apply my full-stack development skills in PHP, React, Next.js, SASS, Tailwind, Java, and database management using MongoDB and Firebase in a challenging and growth-oriented environment.

Skills

Programming Languages & Frameworks: PHP, React, Next.js, Java

Web Technologies: HTML, CSS, JavaScript, SASS, Tailwind, Restful APIs

Tools & Platforms: Git, GitHub, VS Code, Node.js

Database Management: MongoDB, Firebase

Version Control: Git

Experience

Intern Web Developer

Heartfelt Holdings | [08, 2022]

1. Assisted in the development of web applications using modern technologies.
2. Gained hands-on experience with React, Next.js, and full-stack development.
3. Worked on database management with MongoDB and Firebase.
4. Participated in code reviews and contributed to improving the codebase.
4. Utilized Git for version control, managing and tracking code changes effectively.

Freelance Full-Stack Developer

Freelance | – Present

1. Developed and maintained multiple client websites using PHP, React, and Next.js.
2. Implemented responsive design using Tailwind and SASS, ensuring optimal performance across various devices.
3. Collaborated with clients to gather requirements and deliver customized solutions.
4. Managed databases using MongoDB and Firebase.
5. Utilized Git for version control, managing and tracking code changes effectively.

Projects

Personal Projects in Java and PHP

Developed several personal projects to enhance programming skills in Java and PHP.

Technologies Used: Java, PHP

Key Achievements: Improved proficiency in Java and PHP through hands-on project development.

Certifications

1. Front End Development Certificate, freeCodeCamp
2. Java Certificate, Alison

Languages

English (Fluent)
