MATTHEW AMEH
Frontend Developer

Lagos, NG • matthewameh007@gmail.com • + (234) 8027191872 • matthewameh007.netlify.app

PROFESSIONAL EXPERIENCE

HNG MENTORSHIP **Remote**
   Frontend Developer Mentor **2025-present**

- Help students understand key programming concepts (e.g., JavaScript, React, Next etc.)

- Debug students' code and assist with project development

- Monitor progress and check in regularly

- Provide emotional support and build confidence

HNG INTERNSHIP PROGRAM (HNG11) **Remote**
Frontend Developer **JUL 2024 - Present**

- Spearheaded the development of cutting-edge web applications in a dynamic, fast-paced remote environment as part of the prestigious HNG internship.
- Delivered 4 major product updates in collaboration with a high-performance, cross-functional team of 8 developers, 5 designers, and 3 project managers.
- Streamlined communication processes, boosting the overall project completion rate by 30%—a pivotal contribution to team efficiency and project success.
- Championed Agile practices by actively participating in daily standups, sprint planning, and code reviews, ensuring high code quality and swifi delivery.
- Engineered significant improvements in application performance and user experience by optimizing existing codebases and troubleshooting complex issues.

Selected Project Experience

- Language Learning Web app (Delve)
    - Played a critical role in project initialization, executing bug fixes, and implementing feature updates.
    - Revamped the user interface, enhancing the overall user experience and visual appeal.
    - Facilitated successful code merges and provided support to colleagues facing technical challenges.
    - Collaborated closely with DevOps, Backend Developers, and Designers to drive the project to completion.

- HNG Boilerplate
    - Contributed to the core structure and optimization of the project.

MAKLORI ENGINEERING **Lagos, NG**
- **CCTV Installation and Setup** **2024-2025**

FRONTEND DVEVELOPER TUTOR **Lagos,NG**
Mar 2024- Nov 2024

- Delivered high-quality, maintainable code across diverse projects, demonstrating technical excellence and attention to detail.
- Mentored over 10 aspiring developers in foundational web development skills, covering HTML5, CSS3, Bootstrap, and JavaScript, helping them transition from novices to confident coders.
